AMIENS OCTOBER 2nd to OCTOBER 5th 2018

A new destination, Amiens with its magnificent cathedral, and interesting waterways.

We will be staying at the central 4* hotel, Hotel Mercure Cathedrale and we will travel by executive coach from Cambridge (via Bishop's Stortford) on the morning of the 2nd to arrive in Amiens mid-afternoon, and return to be in Cambridge on the evening on the 5th. The channel crossing will be by ferry.

The price of this trip includes all travel and three nights' bed and breakfast. In addition, within the price, there will be a walking tour of Amiens, plus a planned trip on the steam railway round the Baie de la Somme on Thursday. One dinner plus lunch on the 5th, both with wine, are also included, and all gratuities.

The cost will be £405 per person sharing a double room. A limited number of single rooms are available, for which the cost is £580, reflecting the cost of these rooms.

I would be very grateful if you could reply by the end of November as I have an option on hotel rooms.

NB Because of Brexit uncertainties, the cost is based on £1 to 1 Euro...hopefully it will be better than this, and the price will then be adjusted accordingly.
